Rules of the game

- ▶ Each team represents its group namesake
 - E.g. **Role of Teacher**; **Professional Requirement** etc.
- ▶ Each team has a coloured set of word cards (same words for all teams)
- ▶ As a team decide which group a word best fits & put it there
 - All cards must be allocated to just 1 group
 - E.g. If you think “Mentor” best fits with **Different Understanding of the Role** then place your card face up with that team
- ▶ You can only move your **own** coloured cards
- ▶ You have **10 minutes** to sort ALL your cards, discuss what your team name means
- ▶ Write down a **SINGLE PHRASE** to capture the definition
